**City Improvement Society**  
Josh Bradshaw

Hi Josh,

I just wanted to reach out to thank you and the Improvement Society for taking on the project of painting our fire alarm pedestal boxes. This painting has long been over due and has been on our radar for a few years. However, our fire alarm department only has one individual and it was impossible for him to dedicate the amount of time needed to complete the project.

The boxes came out beautiful and we can not thank you enough.

Sincerely,

A handwritten signature in black ink that reads "Stephen H. Bradbury".

**Stephen Bradbury**  
Fire Chief
